PETITION TO REMOVE
Standby Counsel from
Clause no. 4:15-cr-000324 HEA/NAB

Come Now, Hanif Mujahid Ali In Propria Persona Sui Juris, (Not to be Confused with, Nor substituted by Pro'se) authorized Representative/Grantor In behalf of Ex-Relatione/Grantee:

Walter Wallace, ("Petitioner") by Special and not general appearance; hereby petition's this court to "Remove Standby Counsel in the above mentioned cause. In support of this Petition, Petitioner states the following to wit;

On December 18, 2015 I Introduction was granted the ability to litigate current matter and Public Defender Felicia A. Jones was to act as standby Counsel. It was brought to the Courts attention on numerous counts that standby was not providing aid an assistance to the Alleged defendant
Pal

Standby Counsel is acting unethically for the Federal [G]overnment, which is stripping I the ability to properly litigate. In this instant Standby Counsel is ~~and~~ bias and prejudice to the Alleged defendant.

Argument

There has been an irretrievably broken down lines of communication between Standby-Counsel and I. Standby Counsel has failed to provide adequate and sufficient legal material upon request. which is adversely and obstructing my ability to properly litigate. Therefore, I believe that Standby-Counsel is conspiring with the [G]overnment/Prosecutor to convict the Alleged defendant. The Sixth Amendment contemplates that Counsel like other defense tools guaranteed by the Amendment, shall be an aid to a willing defendant. Judge Nannette C. Baker is demonstrating to the Alleged defendant ~~this~~ is Unconstitutional Court and that Standby-Counsel was meant to be an Albatross around the Alleged defendant neck as well as master. Thrusting an "Ineffective Counsel" upon a individual is not only a danger, but a disadvantage in a litigation. Specifically the Counsel Provision speaks of the "assistance of counsel," however a expert counsel is still an assistant of the basic sort.

Case: 4:15-cr-00324-HEA-NAB Doc. #: 90 Filed: 04/14/16 Page: 3 of 5 PageID #: 289

The language and the spirit of the statute is unambiguous and clear.

Standard Review

Standby-Counsel was never design to be a detriment, danger, disadvantage, or ineffective to the Alleged defendant. But an Intricate Mechanics of the law that is suppose to effectively present assistance to a defendant ignorant of the law. let it be noted that Standby-Counsel is suppose to act actively as Co-Counsel this is in an alignment with Mo. Const., Art 1, § 18(a). (Cites Omitted) The accused can be heard can be heard or defend in Propria Persona and by Counsel.

Conclusion

Due to the aforementioned violation's, I hereby request that this Honorable Court terminate Standby-Counsel and appoint a new Standby-Counsel or allow Alleged defendant the ability to utilize the Criminal Justice Act funds a "para legal." This is to assist Alleged defendant even out the odds of Multiparty litigation.

Therefore, Petitioner prays that this Court sustain this request. "In the Interest Of Justice."
